NORWAY AND USA TRIP

What a blessing it has been to be able to see old friends again and for the opportunity to visit the USA and Norway. We came back full of renewed strength. Thank you to all of you who made our trip one we will remember in the years to come and for those back home who cared for the

children while we were away especially the Martin family who came out especially to serve during this time.

SECOND TERM IS COMING TO AN END

The kids have finally completed their exams and will be finishing their second term soon. We have a full holiday programme planned for them which includes computer studies, camping, music appreciation, bible studies, a cooking competition and sporting activities.

HOUSEMOTHER BIRTHDAY PARTY

These 4 special ladies celebrated their birthdays this month. There was much excitement as they opened their gifts and blew out their candles and smiles as their ages were clapped! Gogo Constance came to visit and she is doing well and looking great. She is currently writing a book on her life and it makes for some interesting reading.
